Dear John:

Thank you for your November 12, 1990 letter requesting confirmation that these applications are to proceed. I have spoken to Beverly Monroe and we see no reason why the applications should not proceed. Therefore, please supply to your Chinese associates the details of references cited elsewhere, and instruct payment of the examination fees in due time.

In that connection, you have asked for copies of the U.S. prosecution papers. I sent you copies of the prosecution papers for PM-1322 shortly before we met in New York, and you should have received them by now. Similar papers for PM-1315 are enclosed.

Very truly yours,
